Our charity for this show

Following this production, a donation will be made to Kingston Churches Action on Homelessness.

KCAH supports primarily single people who are homeless, at risk of becoming homeless or who are experiencing serious problems with private landlords.

It is running a Winter Night Shelter together with seven churches in the borough in February and March for homeless people to have somewhere warm and safe to sleep, get advice and have breakfast and dinner together. They also hope to run a short notice Winter Night Shelter between now and February for when temperatures drop below zero degrees for three consecutive nights.

For both these projects they need plenty of volunteers. Anyone interested in volunteering would be very welcome. They can email Camilla Wheal (camilla.w@kcah.org.uk).

There is also a constant need of sleeping bags for those clients that are sleeping rough.

February 3rd/4th – SGF panto

The year is 1835 ... the province of Alta California is soon to be part of a newly proud and independent Mexico.

But, whenever there is great change, the most ruthless, the most vicious, the most morally bankrupt will always try to grab power for themselves.

Only one man stands in their way.

They call him... **Zorro!**

The show features heroes and villains, power hungry generals, unlucky smugglers, desperate revolutionaries, star crossed lovers, a mad scientist, an evil property tycoon, a very naughty cockroach, and much much more!

With bad jokes, great songs, sword fights and the usual participation from our fine audience, this show promises to be superb fun for the whole family.

“So, for Christmas, you’d like HS2 and a rifle? Well, since you’ve been a good boy, I’ll make that a ticket for Zorro the pantomime and a semi-automatic!”
